The Induspect is a leading Inspection and Technical Manpower service provider that delivers technical inspection/ expediting and asset integrity management services.

Since its incorporation in Perth, Australian in **2011** it's always Customer first for **Induspect**.

It's been a journey that has taken the company from single office in **Western Australia** to multiple locations and site operations in **Australia, Singapore, Malaysia, Bangladesh, China, India.**

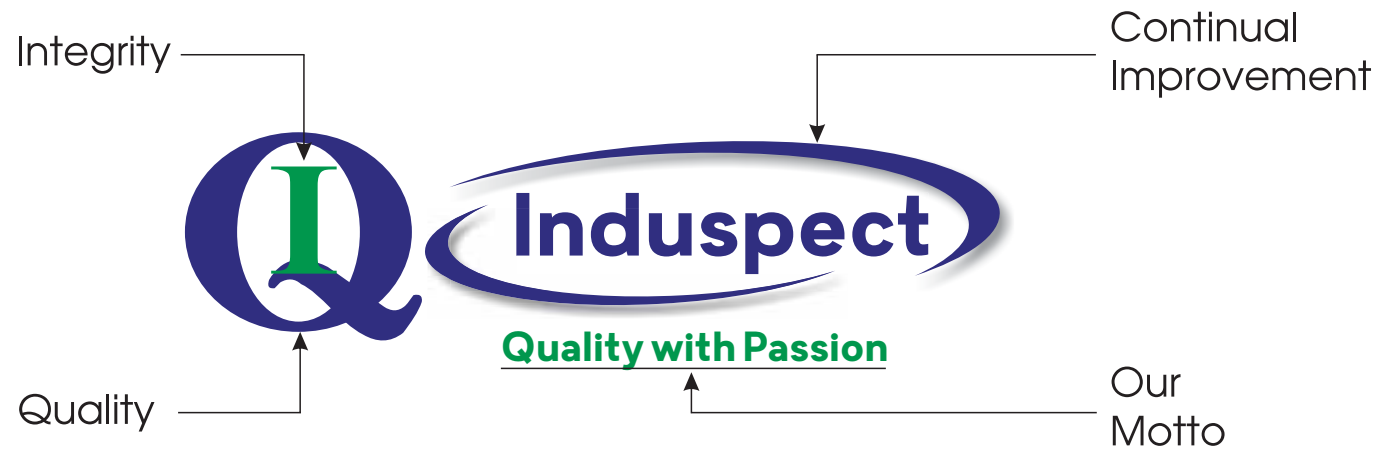

In 2015 our Australian representative visited India as part of Australian Delegation attending Australia India Business week organised by Australian and India Government to promote mutual trade. We had interactions with Indian Industry major players such as RIL, Tata Projects, Shapoorji Pallonji etc. in Mumbai.

On further Analysis of Indian Market we decided to commence our Indian operations in **2016**. Our first Indian client was 'Calcutta Gas Limited' in 2016 itself. This marked our first milestone in Indian Technical Manpower and Third Party Inspection Business & what a journey it has been till date...

Our Mission is to deliver value for money to customers by providing three necessities-**On Time Service, High Quality and Cost Effective Performance.**

Our Vision is to be the worldwide preferred service provider for **Inspection, Technical Manpower Supply & Consultancy Services.**
